(RESERVED)

Deb,

I guess you thought you were never going to get your Yearbook back but here it is. I had something planned for your birthday but I just realize you might not take your yearbook to school. You'll understand on the fifteenth.

Debbie your senior year was the most meaningful yet for me until this summer. I grew to love and respect you more and more each day. Our senior year was at a fast pace most of the time which made it hard. But I look back on it and it was really great. We've really had a lot of great times at Southeast and hopefully we'll have more.

Well it's now about 1:30am 9/6/74 and today we leave for Roanoke. I'm not ready yet but I sure hope I am by 6:00pm. I sure hope we learn alot and really like it up there, I think we will.

The last 2 years or so have been great and I hope we'll be together forever. I hope we can find out what we want to do with our lives. Well I'd better get to bed since I won't sleep tomorrow night. Sorry I was so long with your book,

I love you always

Frank

It happened in a moment . . .

Psalms 116

"I love the Lord because he hears my prayers and answers them. Because he bends down and listens, I will pray as long as I breathe!

Death stared me in the face — I was frightened and sad. Then I cried "Lord, save me!" How kind he is! How good he is! So merciful this God of ours! The Lord protects the simple and the childlike; I was facing death and then he saved me. Now I can relax. For the Lord has done this wonderful miracle for me. He has saved me from death, my eyes from tears, my feet from stumbling. I shall live! Yes, in his presence — I shall live!"

Death is swallowed up in victory.

O death where is thy sting? O grave, where is thy victory?

Debbie,

To a real nice girl, who was in
our A.C class 5th period. It has
really been a pleasure knowing you.
Stay sweet and you'll go far. Don't
forget the good times in Davis' class.
(When?) I hope you and I will see
each other after school gets out... If
we don't, our friendship won't die.

MH

Good Luck!
Debbie LaPlante

Debbie,
I'm glad I got to know
you this year. And I hope -
the future. You really deserve it
-cos you're a real sweet girl. Don't
forget all the good times we've had
in shorthand with Mrs Sloan & Mrs
Blyth. Good luck in all you do.

Love, Rhonda Harding

Debbie,
let me tell
you — its so
nice being around
cheerful people like you!
I can't help but be in a
good mood with you 'cause you
seem to spread out that happiness
around to everyone you meet. You seem
to have an "inher place" on some type
of satisfaction towards life that I wish I
had. I know you'll put all your talents and
that good use! Take care
and I hope we always remain close!
Betty Cook '73-74'

Debbie,
It's been nice
having you in my
shorthand class. I
hope you have a
lot of beautiful
things in your
future. Take
care. Take
all those

Debbie,
Well the year is finally over and we'll be off to college next year. A lot of things have ~~have~~ happened to us. State, district and marching contest. This has been a really great year (with a few exceptions). One of the great things is knowing you. You are a sweet ~~and~~, nice, and cute girl. We have been friends for a long time and I hope that it will continue. Your friendship will be a lasting memory for me. I wish you the best of luck always and in the future. Remember me when you and Frank decide to tie the knot.
Love always,
Cheryl

Debbie,
Some day I'm gonna
play piccolo just like you!
Here long did it take you to
play that good? Never forget
the quartet. I don't think anyone
ever worked on it, especially me.
Best of all never forget the Band
of '73-74, & State Contest! Keep
on smiling, you'll go far. Lots
of luck next year & the future.
Never forget me & thanks also for
the help you gave me when I just
came down here. Many thanks
again.

Debbie
Well another year
comes to a close & it's hard
to believe that everyone's
going their own ways after graduation.
I've enjoyed your friendship so much
these past 3 years (and the little yoffie 66-
BABY). You're really made it fun. I hope I
can see you after this year because this is one
friendship I don't want to lose. Your quiet looks
and sweet attitude & personality make you a very
attractive girl to be around. Don't ever lose them.
Good Luck Always as you go through life. Don't
let the problems get ya down. Keep in touch and
God Bless.
